## Investments to and from Argentina

MALBA Auditorium

September 10th, 8:30hs.

# RepensAR Summit 2024

RepensAR is a foundational event focused on alternative investments to and from Argentina. And it arrives at the perfect moment.

On the one hand, Argentina is entering a new political-economic cycle and paradigm, and on the other, the world is undergoing profound geopolitical changes that create significant opportunities for entrepreneurial talent, investment potential, and Argentine intellectual capital. Both within and beyond our borders.
